

WildCat Band Parents,

Welcome to another exciting year in in the Lucile Erwin Middle School Band!

This week we will spend our class time:

- meeting and catching up with each other,
- getting band lockers assigned,
- issuing school instruments,
- reviewing class expectations,
- reviewing class materials,
- and playing a little on our instruments!

\*\*\*Speaking of class materials, I left off a 3-ring Binder from the materials list for the 7<sup>th</sup> and 8<sup>th</sup> graders.

Most of what we will talk about is included in the Band Syllabus-attached to this email. Especially, link up the dates of concerts with your schedules so you and the students won't miss a performance.

\*\*\*After reviewing the material, please fill-out the form linked here.

I encourage you to keep up with what is going on in Band through the following sources:

- Our Electives team will be sending weekly newsletters with important info,
- I will post important reminders on the Google Classroom-parent can get access,
- I also post duplicate announcements on the website <http://www.lemsmusic.com/band.html>
- I have started an Instagram page- wildcatbands28
- and, as always you can call or email-see below.

Please let me know if you have any questions or concerns
