Standards Based Grading

Here at Lucile Erwin Middle School, we are proud to be an IB MYP school. Per school-wide policy, to adhere to our MYP IB requirements, our music students will be graded on a system that will correlate with the four IB Criteria (see below). We have listed our most important assignments below under their corresponding criteria. The IB Criteria also correlate with the State Standards for Music, which will become the method of grading for Electives beginning with the 2016-17 school year. All assignments will be graded on a Four Point Scale Rubric.

Criteria A Knowing and Understanding	Criteria B Developing Skills	Criteria C Thinking Creatively	Criteria D Responding
Standard 1 Expression of Music	Standard 2 Creation of Music	Standard 3 Theory of Music	Standard 4 Aesthetic Valuation of Music
Daily Rehearsals – Performance Aspects Dress Rehearsals Concert Performances Playing Tests	Composing Short Melodies Full Musical Compositions Musical Arrangements	Daily Rehearsals – Theoretical Aspects Thompson School District Music Assessment Written Theory Worksheets Theory Tests	Performance Attendance Post Concert Reflections Composer Biographies Listening Assignments

Work Habits / Classroom Behavior Expectations

Alongside our Standards Based Grading System, Work Habits are now tracked separately.

Our orchestras are essentially musical teams. The actions of any individual can either help or hinder the entire ensemble in both rehearsal and performance. Self-discipline is not optional; it is required. A system of checks and warnings will be used to promote proper ensemble behavior. Students will receive a deduction for any infraction in the following areas:

- Class preparation
- In seat and quiet when the bell rings
- Quiet during rehearsal when not playing
- Demonstrates correct posture while playing
- Respect for self and others
- Participates appropriately during rehearsal

Each week, the student will be assessed on their preparation and participation on the same Four Point Scale as our Standards Based Assignments. For example:

Emerging	Progressing	Meets	Exemplary
The Student Needs Significant Musical Coaching During Rehearsal	The Student is Musically Prepared for Rehearsal, but Needs Minor Coaching	The Student is Musically Prepared for Rehearsal	The Student is Musically Prepared for Rehearsal and Assists Others
The Student Needs to Borrow Sheet Music	The Student has Sheet Music, but it is not Marked	The Student has Marked Sheet Music at Rehearsal	The Student has Marked Sheet Music at Rehearsal, at Home, and Assists Others in Marking
The Student Needs to Borrow an Instrument and Supplies	The Student has their Instrument, but is Missing Needed Supplies	The Student has their Instrument and Supplies at Rehearsal	The Student has their Instrument and Supplies at Rehearsal and Assist Others

In order to receive a Meets, the student must be a Meets in every row, straight down the column.

Performance Expectations – Please Read and Reread This Section

As this is a performance-based class, **attendance at all performances is mandatory**. The dates and places are listed within the handbook. Please put these dates on your calendar now so that you can schedule around them.

- The performance of the orchestra is the primary function of the class and therefore attendance is **mandatory** regardless of the time, date, or location.
- Written excuses **may** be considered when submitted two weeks prior to the concert **if** the excuse has validity.
- A Doctor's Note is **required** for illness-based concert absences **without exception**.
- Students must wear the appropriate concert dress for performances. Failure to be properly attired will result in a deduction of .5 points from the standards-based grade.
- **According to the State Standards, in order to Meet the Standard for a Concert Performance, the Student Will:**
 - a. Perform music in unison and two parts accurately and expressively at a minimal level of 1 on the difficulty rating scale (6th)
 - b. Perform music in three or more parts accurately and expressively at a minimal level of 1 to 2 on the difficulty rating scale (7th)
 - c. Perform music in four or more parts accurately and expressively at a minimal level of 2 to 3 on the difficulty rating scale (8th)
- **Therefore, if the concert is missed due to any type of absence, the student will arrange a small group performance of the music for their parents and/or family members within two weeks of the missed event. This performance should be recorded and submitted to Mr. Smith for grading within two weeks of the missed event. There are no other make-up assignments.**
- Unexcused absences or unsubmitted make-ups for performances **will result in Insufficient Evidence for that performance**.

Why is attendance mandatory at performances?

- Performing for an audience is the primary focus of this class.
- Concerts provide an experience that cannot be reproduced in the classroom.
- Performances are the means by which the skills learned in the class are evaluated.
- Orchestral performance is a group effort; therefore every missing musician weakens the performance.
- We rehearse together and we perform together.

Other Procedures and Routines

- Be on time and in your assigned seat when the bell rings.
- Participate in all classroom activities – especially playing!
- Be prepared! Have your instrument, bow, rosin, music, pencil, and a notebook with you for every class.
- No food, gum, or soft drinks are allowed. Water is permitted.

Concert Attire

Young Men: Black slacks, plain white long-sleeved, button down dress shirt with a collar, black tie (8th grade only), black socks, and black dress shoes.

Young Ladies: Black skirt (**below mid-calf and no slits above the knee**), plain white long-sleeved, button down blouse with an opaque undershirt, black hose, and black dress shoes. ***Appropriate length dresses and skirts are a must due to the demands of playing a string instrument while seated (especially the cello).**

Students in Advanced Chamber Strings will require formal concert attire, which can be ordered at:

<http://www.lemsmusic.com/orchestra-clothing-and-concert-attire.html>

Care of Music

Each student is expected to maintain a current folder of all music handed out. It is important to take your folder home to practice your music, but you must always have your folder in class for rehearsal. Forgetting your folder will result in a reduction of your Work Habits grade. **Students who misplace or lose original music are expected to order a replacement through J.W. Pepper.**

Equipment

- Keep instruments in good playing condition, especially if they belong to LEMS.
- Have rosin, shoulder rests, cello/bass strap, a cloth, a pencil, good strings, etc.
- DO NOT, for any reason, touch or play an instrument that is not checked out to you. This is for your own protection as well as the school's protection.
- Storage is available outside the Orchestra room for students who bring their own violins and violas from home. School instruments may also be stored in the classroom cabinets.

Instrument Rentals

Instruments may be rented from the school on a **first-come, first-served basis** at a cost of **\$40 for the academic year** or **\$60 for the calendar year** from August to August or May to May. Rental forms will be sent home during the first two weeks of school. Your form and payment must be returned to Mr. Smith between **August 27th – 31st, 2018**. It is the **student/parents' responsibility to provide an instrument for orchestra once all of the school instruments have been rented**. Rentals may be obtained from:
