Practice should be done **gradually over the span of the week**. Doing all of your practice (105, 180, or 210 minutes) over the weekend is **not acceptable**. In order to achieve the above grades, these are the amounts of time that you should practice **each day** in order to reach your goal. Once complete, please fill in your total minutes, your standards based numeric grade, and have a parent sign. How do I achieve a 4? You must submit a video of your performance of your sheet music **at tempo** free of rhythmic/melodic errors.

6 th Grade – Practice Minutes Per Day:	3 = 15 min.	2.5 = 13 min.	2 = 11 min.	1.5 = 9 min.	1 = 5 min.	IE = 3 min.
